**The Program:** The processional sets the tone for the entire program. Please NO GUM chewing! March at one-arms length from the person in front of you. Once you reach the row where you will sit, follow instructions given to you by the student assistants. Move quickly down the row to your seat. Please do not skip seats, save seats, or switch seats. Remain standing, facing forward until it is time to sit together as a class. The processional will take about 10 minutes.
