Discover what's next after graduation

Finding your path after high school can be tricky. Fair Opportunity Project will help you through it.

Fair Opportunity Project is a nationally-recognized nonprofit. Each year, we help hundreds of students become college and career ready.

Mentorship

\$1M+ scholarship dollars earned
Applied to 278 colleges

1:1 mentoring from rigorously trained and background-checked volunteers. Mentors coach students toward self-generated **post-secondary goals** and can help students assemble college applications, ace interviews, earn scholarships, and more!

Essay Review

Across 43 states
1,200+ essays reviewed

Personalized edits for college, scholarship, or other essays so you can tell your story the best way you can.

- Highly skilled & professional editors
- 1 week turnaround
- For underserved students
- Privacy protected
